SUBJECT: CLOSURE OF BENCH SCALE TREATMENT UNIT

The Colorado Department of Health (CDH) has responded to our request for expedited approval for closure of the above referenced closure unit. CDH has agreed to expedite review of the closure plan but will not approve it without going through the regulatory requirements concerning a public comment period. A copy of their letter is attached for your information.

Although the unit may not be closed until approval is granted, you may move it aside if needed during renovation.
